FROM THE PRINCIPAL...

Thought of the week: Dreams are the touchstones of our character. Henry David Thoreau

In all my career, I have never seen such astounding Naplan results. We are in the top two bands (above state average) across ALL areas in Year 3, Year 5 and our cohort data. These areas include; Numeracy, reading, writing, spelling, grammar and punctuation. What sensational results! Huge credit towards our Teachers, support staff and students, well done!

A **massive thank you** to everyone in our wonderful community who made PatchFest such an amazing day. Thank you also to the rain that held off as much as possible.

A special mention to our committee who worked tirelessly to make our day spectacular, you know who you are. We would love to hear your feedback on what worked well and any areas where we can improve.

Our success with PatchFest has raised us close to \$8,000 in profit. Our money will further assist with our literacy program.

Thank you all once again for supporting this year's PatchFest – your hard work and enthusiasm gave us yet another wonderful day. I ask that you support the businesses listed below my piece in this newsletter in the same way they have supported our school.

Throughout November and early December, we will be working on our class structures and student combinations for next year. Changes in student numbers and staffing combinations usually cause us to reshape our proposed class structures several times throughout this term.

This means that at the moment we are not in a position to answer any questions about staffing and grade placements for next year. The reality is that we do not know yet who will be teaching grades next year and do not want to mislead you by giving information that is still subject to change.

At this stage, we hope to hold **11 classes (same as this year)** next year for what is expected to be **265 children** next year (currently 261), but we need definite numbers across all levels before we make that decision.

Please let us know urgently if you intend to enrol a child at our school, if you are aware of people in our community who will be enrolling or if you intend to transfer to another school. We desperately require this information as soon as possible in order to establish grade structures for the start of the new school year. If you will not be at The Patch in 2020 please notify the school office in writing as soon as possible.

What are the criteria that we use to make up class lists?

Factors influencing class structure are:

- the educational needs of the students;
- the projected number of students in each year level;
- the ratio of girls to boys;
- the number of teachers employed at the school; and
- resources and facilities.

Factors which are considered in the placement of students include:

- academic performance – judgments over time
- work habits e.g. ability to work independently
- behaviour
- gender
- social network /friendships
- social maturity
- special needs e.g. twins, siblings .

Continued...

What is the process for placing students into classes?

Based on the criteria **listed** above, teaching staff and administration meet mid-term 4 to establish classes for the following school year.

Teachers ensure each new class has:

- a balance of academic ability
- gender balance
- socially balanced groups

During this process, changes and adjustments are made over several weeks. Each change may trigger a chain reaction of other changes. Proposed class lists are submitted to me for final ratification.

The new classes will be announced on Orientation day, December 10, with the exception of next year's Prep classes which will be announced on Prep information night on November 27th.

2020 GRADE PLACEMENT REQUESTS

Parents are now invited to write to me about any concerns they may have for their child's educational needs for 2020.

Please note, requests for particular teachers **will not be** considered as the best interests of all of the children and the effective management of the school must be taken into account.

Letters will be considered up until 4pm, Friday November 1st, 2019.

Letters received after this date will not be accepted unless in exceptional circumstances. These letters are to be addressed to me with all details and information provided kept in confidence.

While I have letters on file from previous years, I **will only be taking into account letters I receive this year.** Often friendship concerns become outdated as the children grow in maturity and develop new friendships. However, if you have information from previous years that you feel is relevant to your child's placement, please include this in your letter. Don't assume I know!

As you may understand, the allocating of children to classrooms is a very complex task and one that requires patience and a great deal of thought. Please assist us to make this process as smooth as possible by taking note of the requests as outlined. Please also be aware that requests are requests and will automatically happen. Every decision will be made for the best learning outcomes for all our students.

Should you wish to discuss any concerns with 2020 grade placements in person, please contact the school office to arrange a time for a chat.

EVERYDAY COUNTS

Going to school every day is the single most important part of your child's education. Students learn new things at school every day – missing school puts them behind.

In Primary School, some students miss on average three weeks of school per year. That's half a year of school by the end of year.

Last year new laws were put in place that mean parents can be fined for not sending students to school without an acceptable reason.

If you're having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

Why it's important

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes. Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early

Attendance patterns are established early – a child regularly missing days in kindergarten or in the early years of school will often continue to miss classes in the later years, and receive lower test scores than their classmates. It's vital that students go to school every day – even in the early years of primary school.

What we can do

The main reasons for absence are:

Sickness – There are always times when students need to miss school, such as when they're ill. It's vital that they're only away on the days they are genuinely sick, and setting good sleep patterns, eating well and exercising regularly can make a big difference.

It's vital that holidays are planned during school holidays where possible, and not during the term if it can be avoided.

"Day off" – Think twice before letting your child have a "day off" as they could fall behind their classmates – every day counts.

Truancy – This is when students choose not to go to school without their parent's permission. There can be many reasons for truancy. The best way to address this is for schools and parents to work together.

If for any reason your child must miss school, there are things you can do with your school to ensure they don't fall behind:

- Speak with your classroom teacher and find out what work your child needs to do to keep up.
- Develop an absence learning plan with your teacher and ensure your child completes the plan.

Remember, every day counts. If your child must miss school, speak with your classroom teacher as early as possible.

Openly communicating with your child's school about all absences is a good way to prevent attendance issues being escalated to a School Attendance Officer.

A School Attendance Officer is a Department of Education and Early Childhood Development Regional Director who has authority to follow up attendance issues. Attendance issues that are escalated can lead to an Infringement Notice.

On Wednesday the 23rd October we were lucky to have the Ranges Young Strings Ensemble come to perform at The Patch.

My Favourite Strings

Here are some comments and questions we had for the ensemble. Music Making with some of the 'String' family...

I enjoyed sitting in the orchestra. Gage

Violin

I liked how some of the music was intense. Nina

Viola

Cello

I enjoyed learning about the different instruments. Kitty

I loved seeing the people that used to go to The Patch.

I like seeing our friends from our old kinder. Regan

How do they turn the horse hair into a bow? Josie

Music helps you learn - Music helps you think - Music helps you relax

Music is for anyone and any time - Music is FUN and COOL!!!!

To find out more about playing and learning music and Ranges Young Strings, go to the Dandenong Ranges Music Council website:

www.drmc.org.au

How do you make the low sounds on the cello?

I enjoyed how everyone had different parts to play.

I enjoyed the person playing 'Smooth Criminal'.

How long did it take to learn Pirates of the Caribbean?

I don't know how they go those song ideas, but I liked them! Matteo

I enjoyed the cool effects on the cello. They were interesting and loud. Veronique

Myah in Prep was asked to draw a picture of something to do with her performance of PatchFest. What a wonderful reflection of the day!

A reminder for Bushfire Season

We are identified as being at higher risk on the Bushfire register and, as such, will be required to relocate to Knox Central Primary School on days of Extreme fire danger and close on days of Code Red Day fire danger.

On days of Total fire ban all children will be required to be picked up from school. Children will NOT be permitted to walk home or leave the school without an adult.

Sign out reminder for early pick up - If you choose to pick your child up early it is an absolute **must** to sign your children out at the office. As part of continuing Emergency Management procedures roll marking after the children have come in from lunch will occur. In the event of an emergency, we would waste several precious moments trying to work out where children are if they have not been signed out. I can only implore you to make sure you follow this very simple procedure.

It is important that all parents have alternative arrangements in place for these days.

Please note that it is the responsibility of every family to:

1. know where to find and understand Fire Danger Rating information
2. understand The Patch School's procedure for days of EXTREME fire danger and CODE RED fire danger
3. sign the form acknowledging your acceptance of these responsibilities and return it to the school (Form below, which should be completed upon enrolment).

Please note the following procedure for children who are relocating:

- Your child will be expected to attend Knox Central PS
- Students are to arrive at Knox Central PS by 9am, no earlier than 8:45am. No staff will be on duty.
- All Parents are to park and sign their children in at the office/designated area for The Patch PS students. Please do not just drop your child off.
- All students must be collected at 3:30pm from the designated area and signed out by their parent/guardian/emergency contact. Please note that there is no afterschool care.

TIP OF THE WEEK

Q. How can I keep track of my Qkr! payments?

A. Itemized Qkr! eReceipts provide a record of purchase and are a convenient way to keep track of your Qkr! payments.

To view your eReceipts:

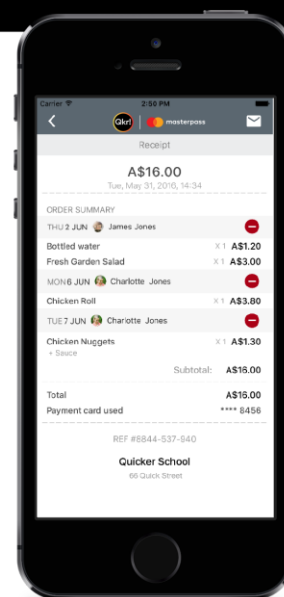

1. Open Qkr! and tap 'Activity'.
2. Scroll down to 'Order History' and tap 'Receipt' to view eReceipts.

Never lose a receipt: email receipts to your account:

1. Select the eReceipt you wish to email to yourself.
2. Tap on the mail icon at the top right of your screen.
3. Tap 'Send' to email the eReceipt to your email address, or enter another email address, and tap 'Send'.

Use an eReceipt to cancel a food order you have paid for:

1. Select the eReceipt for the order you wish to cancel.
2. Tap the red circle with a minus symbol on the order to be cancelled. Select the entire order or individual items to cancel and tap 'OK'.
3. Cancelled items are shown in red on your eReceipt confirming they have been cancelled and a credit is available for future food orders. The value of any credits will be automatically deducted from your next Qkr! food order.

The Importance of Attendance

Please remember that all students are expected to be in their classroom, ready to begin lessons by 9.00am.

We understand that now and again things don't go to plan, but all families should aim for their children to be at school by this time.

Parents should also remember that late arrivals or early leavers must be signed in or out by their parent or guardian using the system on the iPad at the office. The appropriate orange or red tag must also be given to the classroom teacher when collecting your child.

The Department of Education & Training has very specific expectations about school attendance and we ask that all parents be mindful of the importance of prompt and regular attendance at school.
