

# WE NEED YOUR HELP!

Dear Parents,

The 15<sup>th</sup> - 23<sup>rd</sup> of August is National Science week: 'Making waves - the science of light.' We will be celebrating National Science week at The Patch with a range of activities and events. To support our science activities we would love you to collect items at home and send them along to your child's class.

## We require:

- Thich denim
- Cellophane
- Tissue paper
- Glad wrap
- Leather
- Polar Fleece
- Foil
- Bubble wrap
- Sheer organza
- Faux fur
- Plastic cups
- Ice trays
- Ice cream containers

## Additional science resources that we are always on the lookout for!

- yoghurt containers
- ice-cream containers
- plastic bottle lids
- 500ml water bottles
- 1.25lt plastic soft drink bottles
- tin cans
- metal patty pans (eg. mince pie containers)
- Styrofoam balls
- Balloons
- postage tubes
- bubble wrap

- unwanted metal bolts and screws
- electrical wire (especially copper wire)
- Balls of different sizes - eg. rubber bouncy balls
- marbles (of different sizes)
- tennis balls
- cardboard rolls from paper towel and glad wrap (no toilet rolls)
- shoe boxes
- margarine containers
- small white buckets with lids

Any other donations of science based educational items would be greatly appreciated! Can you please ensure that all jars and containers are washed and clean.

**Please Note: WE CANNOT ACCEPT ANY CONTAINERS THAT HAVE CONTAINED ANY NUTS OR NUT PRODUCTS.**

Thank you for your previous donations; without them we would be unable to run these amazing, hands on science lessons!

Megan Inglese and Tania Blandthorn  
Science Coordinators
