As a community of parents, children and teachers we have all faced uncertainties and like any community, we have had up and downs but together we have come to share our celebrations and moved our wonderful school further forward. We are truly fortunate at this school to have such wonderful children, parents and teachers. As always the teachers have remained true to their passion – teaching your wonderful children, keeping them happy and educated has been foremost in their minds, the students have strived for best efforts and the parents have provided much support and help. Thankyou everyone and enjoy time with your loved ones.

I wish you all a great and relaxing break – we are looking forward to 2019.

A reminder for the commencement of Term 1, 2019

We are identified as being at higher risk on the Bushfire register and, as such, will be required to relocate to Knox Central Primary School on days of Extreme fire danger and pre-emptively close on days of Code Red Day fire danger.

On days of Total fire ban all children will be required to be picked up from school. Children will NOT be permitted to walk home or leave the school without an adult.

Sign Out Reminder for early pick up - If you choose to pick your child up early it is an absolute must to sign your children out at the office. As part of continuing Emergency Management procedures roll marking after the children have come in from lunch will occur. In the event of an emergency, we would waste several precious moments trying to work out where children are if they have not been signed out. I can only implore you to make sure you follow this very simple procedure.

It is important that all parents have alternative arrangements in place for these days.

Outstanding Scouts Achievement

One of our grade 4 students, Rohan, has achieved an outstanding milestone in his scouting journey. On Monday night Rohan was awarded the 'Grey Wolf', this is an outstanding achievement as only a small percentage reach this level among Scouting's 47 million members globally. To attain the top award in each five sections in Scouting reflects initiative in tackling this challenge, sustained effort over many months/years, self-discipline, teamwork and leadership. Congratulations Rohan, we are very proud of you.

Terracycle Reminder!

We are still collecting oral care and beauty products for Terracycle. TerraCycle is a company “Eliminating the Idea of Waste®” by recycling the non-recyclable in order to divert millions of items of waste from landfills and incinerators each month. As well as helping reduce landfill, we as a school receive 0.02c per item collected, so the more items collected the better. So tell your friends, family and neighbours!

At the entrance to the main building/office of the school there are two large tubs for collection. We accept the following items:

Colgate Oral care recycling program acceptable items: All toothpaste tubes and caps, toothbrushes, toothbrush and toothpaste tube outer packaging, floss containers. Please note: Electronic toothbrushes and electronic toothbrush parts are not recyclable through this program.

Beauty products recycling program acceptable items: Cosmetics packaging (e.g. used lipstick and lip gloss, mascara, eye shadow, bronzer, foundation, eyeliner, eye shadow, lip liner, and concealer packaging), Hair care packaging (e.g. used shampoo and conditioner bottles and caps, hair gel tubes and caps, hair spray and hair treatment packaging), Skin care packaging (e.g. lip balm, face moisturiser, face and body wash soap dispensers and tubes, body and hand lotion dispensers and tubes and shaving foam packaging).

Please divert the items from your landfill bin and instead bring them to school and place them in the appropriate tub. Thank you!

The Importance of Attendance

Please remember that all students are expected to be in their classroom, ready to begin lessons by 8.55am.

We understand that now and again things don't go to plan, but all families should aim for their children to be at school by this time.

Parents should also remember that late arrivals or early leavers must be signed in or out by their parent or guardian using the system on the iPad at the office. The appropriate orange or red tag must also be given to the classroom teacher when collecting your child.

The Department of Education & Training has very specific expectations about school attendance and we ask that all parents be mindful of the importance of prompt and regular attendance at school.
