WEBINAR 1: INTRODUCTION TO KEEPING KIDS SAFE ONLINE

Date: Tuesday 5th May 2020 – 8:00pm – 8:40pm

Overview: With all of this extra time at home, for many young there has been a spike in access to technology to live, learn and play. The Cyber Safety Project Team will be sharing insights, strategies and practical resources to help you support and manage child safety online during extended home learning periods. This webinar is suitable for anyone looking to learn new strategies for keeping kids safe however the conversations will be targeted towards parents/guardians of Primary School aged children.

WEBINAR 2: KEEPING KIDS SAFE ON SOCIAL MEDIA

Date: Wednesday 13th May 2020 – 8:00pm – 8:40pm

Overview: Whilst it is impossible to know the ins and outs of every single social media platform, there are commonalities across social platforms today. The Cyber Safety Project Team will highlight social media fundamentals including the knowledge and skills all parents/guardians need to support a young person to navigate social media safely. We'll discuss topics such as using Instagram, Snapchat and TikTok as well as a shortlist of new apps every parent must know about.

WEBINAR 3: KEEPING KIDS SAFE WHO GAME

Date: Thursday 21st May 2020 – 8:00pm – 8:40pm

Overview: Gaming today is social. It's where young people go to play, connect and communicate with their friends. Through this webinar the Cyber Safety Project Team help to uncover the appeal of gaming, expose the ways game developers encourage young people to regularly play and provide practical tips for helping manage screen time and the development of self-regulation skills in young gamers.
