

The Patch Primary School 2020 Parent Payment Charges

Dear Families,

The staff have put considerable effort into selecting the very best quality for your child's needs in all stationery items and this comes with the experience of assessing durability, suitability and value for money. Items are trialed, tested and reviewed.

Please find the itemised list that includes essential student learning items (those items that your child needs for school) and Optional Items (that you can choose whether your child participates in or accesses). Also listed below are items for which you are invited to make a voluntary donation to assist in the maintenance and development of the school's facilities and program.

The Patch Primary School and School Council makes every effort to keep the cost and number of items that need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents.

If you have difficulty making payments, please make an appointment to speak to Debra Herrmann (Principal) or Karen Koelewyn (Business Manager) to discuss possible support options and flexible payment arrangements. Any discussions will be kept strictly confidential.

We would appreciate payment by February 6th Term 1, 2020.

Please Note: Additional school charges may arise during the year. *For example:* It is expected that there will be excursions organised in each year level. Families will be notified early in 2020 of these expected costs.
