

The Patch Primary School Parent Payment Information

School councils are able to request payments or contributions for education items and services from parents and guardians for students in Victorian government schools in the three categories – essential education items, optional education items and voluntary financial contributions.

Parents and guardians also have the option of purchasing equivalent materials from other sources. If parents and guardians choose to provide equivalent materials, this should be done in consultation with the school, as items should meet the specifications provided by the school. There may also be certain items that due to their nature may only be provided by the school.

No student will be treated differently, denied access or refused instruction to the standard curriculum program for not making a payment or voluntary contribution.

Parent Payment Categories

Essential education items are those items, activities or services that are essential to support student learning of the standard curriculum. These are items that the school considers essential for all students and which students take possession of. Parents may choose to provide the items themselves or buy the items from the school where practical and appropriate.

These items include:

- materials that the student takes possession of, including text books and student stationery;
- materials for learning and teaching where the student consumes or takes possession of the finished articles (e.g. home economics, ceramics, photography, catering);
- school uniform;
- transport and entrance for camps and excursions which all students are expected to attend.

The Patch Primary School has spent considerable time selecting the most appropriate requisites to meet the needs of our children. The school buys these items in bulk so they can be provided to parents at a significant discount. If you choose to purchase these items yourself you must consult with the school to ensure your child has the right items. Note that there may be some items or services you cannot purchase yourself. The book packs contain high quality materials at a competitive price due to our ability to bulk order.

Optional education items (or non-essential materials and services) are those that are provided in addition to the standard curriculum program. These are provided on a user-pays basis so that if parents choose to access them for students, they are required to pay for them.

These items include:

- student computer printing for personal use, internet access for recreational or non-school use;
- extra-curricular programs or activities e.g. instrumental music, dance classes;
- school-based performances, productions and events; and
- school magazines, newsletters, class photographs.

Excursions and School Activities - we anticipate that there will be some low cost excursions planned during the year and we expect that the total cost for these excursions will be finalised for information nights and will be charged individually throughout the year in 2020. Other costs that can be expected to arise during the year will include the **Prep – 6** swimming program, inter-school, sport activities for Grade 5/6 students and **individual grade level excursions**.

The costs of our optional Camps Yr 2 to Yr 6 have not been finalised but we expect to have these finalised by the end of first term 2020. These activities are charged on an individual basis.

Voluntary financial contributions are contributions made by the parents and guardians where they are invited to make a donation to the school, to fund specific activities, improvements or items not otherwise provided by the school, for example for grounds maintenance, a library or building trust. Only some Voluntary Financial Contributions are tax-deductible.

The attached diagram "**Understanding Parent Payment Categories**" provides examples of items and materials under each category.

Understanding Parent Payment Categories

Schools

What does the legislation say?

The Education and Training Reform Act (2006) provides for free instruction in the standard curriculum program to all students in government schools. The Act also empowers school councils to charge fees to parents for goods and services provided by the school to a child.

In the Act, a 'Parent' includes a guardian and every person who has parental responsibility for a child including parental responsibility under the Commonwealth Family Law Act 1975 and any person with whom a child normally or regularly resides.

What do schools pay for as part of 'free instruction'?

Free instruction is the teaching staff, administration and the provision of facilities in connection with the instruction of the standard curriculum program, including reasonable adjustments for students with disabilities.

The standard curriculum for Years F-10 means implementation of the Victorian Curriculum F-10.

The standard curriculum for senior secondary schools means a program that enables a student to be awarded a VCE or VCAL qualification.

What principles govern parent payment practice?

Educational Value | Access, Equity & Inclusion | Affordability

Engagement & Support | Respect & Confidentiality | Transparency & Accountability

Parents

What may parents be asked to pay for?

Schools can request payment for Essential Student Learning Items

These are items, activities or services that the school deems **essential** to student learning of the standard curriculum.

Where practical and appropriate, parents may choose to purchase items through the school or provide their own.

These may also be either:

Items the student takes temporary or permanent possession of

- e.g.
- textbooks, activity books, exercise books
 - stationery, book bags
 - student ID cards, locks
 - cooking ingredients students will consume
 - materials for final products that students take home (technology projects, build-your-own kits, dioramas)
 - Picture Exchange Communication Systems

Activities associated with instruction that all students are expected to attend

i.e. travel, entry fees or accommodation

- e.g.
- excursions
 - incursions
 - school sports
 - work placements

Parents can be asked to pay for items, activities and services in the three Parent Payment Categories:

Essential Student Learning Items, Optional Items and Voluntary Financial Contributions.

Schools determine how items, activities and services are classified within these categories based on the learning and teaching program of their school.

Schools can request payment for Optional Items

These are items, activities or services that are **optional** and are offered in addition to the standard curriculum.

Students may access these on a user-pays basis.

These may be either:

Items the student purchases or hires

- e.g.
- school magazines, class photos
 - functions, formals, graduation dinners
 - materials for extra curricular programs
 - student accident insurance

Activities the student purchases

- e.g.
- fees for extra curricular programs or activities, such as instrumental music tuition
 - fees for guest speakers
 - camps, excursions, incursions, sports
 - entry fees for school run performances

Items and/or materials that are more expensive than required to meet the standard curriculum

- e.g.
- use of silver in metal work instead of copper
 - supplementary exam revision guides

Support for families experiencing hardship is available at every school and each school has a parent payment contact person. See your school's policy for more information.

For more information on Parent Payments and Personal Devices, visit the DET website at: www.education.vic.gov.au

Schools can invite **Voluntary Financial Contributions** for

- e.g.
- Building or Library fund (Tax deductible)
 - Voluntary contributions for a specific purpose, such as equipment, materials, services.
 - General voluntary contributions

Support Options

Second hand uniform shop

In order to support parents in meeting the costs of their children's education the school operates a second-hand school uniform shop.

Other support options

The school appreciates that families may sometimes experience financial difficulties in meeting requests for payments and contributions. A range of support options are available to assist parents, and State Schools Relief Committee support for uniforms.

Camps, Sports and Excursions Fund (CSEF) A parent or guardian of a child under 16 years of age who holds an eligible Centrelink benefit and a Health Care Card or pension card, are entitled to access this fund.

Payment arrangements

Parents and guardians will be provided with early notice of payment requests for essential education items, optional extras and voluntary financial contributions (a minimum of six weeks notice prior to the end of the previous school year).

Payments are kept to a minimum with payment requests and letters fair and reasonable. To further assist parents with payments, four payment options have been developed:

Option A	Full amount
Option B	Termly payments
Option C	Half yearly payments (Terms 1 & 3)
Option D	Other payment arrangements

Alternative payment options are available through the school with parents encouraged to make an appointment with the school to discuss circumstances and available options.

Payments may be requested but not required prior to the commencement of the year in which the materials and services are to be used.

Payment requests or letters to parents will be itemised and the category each item falls under will be clearly identified as an essential education item, optional education item or voluntary financial contribution.

Receipts will be issued to parents immediately upon making payment.

Reminders for unpaid essential education items or optional items will be generated and distributed on a regular basis to parents, but not more than once a month.

Only the initial invitation for voluntary financial contributions and one reminder notice will be issued to parents and guardians each year.

All records of payments or contributions and any outstanding payments by parents and guardians are kept confidential.
