How do I add or update a photo of my child on the *Qkr!* app?

If you wish to add a photo of your child or if you have previously added a photo of your child and now wish to replace it with a different photo:

1. Sign into your *Qkr!*™ account and select any school menu
2. You will see a screen displaying your child's details and asking you to 'Select a Child'. Tap on the icon on the top right of your screen (three vertical dots on Android devices or a box with an arrow on Apple devices)
3. Tap 'Manage Children'
4. Tap the child whose details you wish to edit
5. You can either select an existing photo from the gallery then tap DONE, or take a photo on your phone then tap DONE.
6. Tap the 'Done' button (Apple devices) or 'tick' icon (Android devices) on the top right of your screen to save changes
